Luxurious Junior Suites

Relaxing Infinity Pools

How will you choose to discover the "real" Aruba? For some, it may be relaxing on a beautiful white-sand beach. For others, it may be snorkeling in Aruba's crystal-clear waters, or hitting that perfect tee shot. Or, maybe a therapeutic massage will do the trick. No matter your preference, during our activity day, the choice is yours.

Make your choice from among some of Aruba's best and most popular excursions. Options may include an underwater submarine adventure, an off-road thrill-ride to Aruba's Natural Pool, a day trip to DePalm Island, 18 holes of championship golf, a catamaran snorkel cruise, or a credit to the treatment of your choice at Secrets Spa.
